

## Could you share your home to change someone's life?

We recruit carers to provide care in their homes for disabled adults, older people and vulnerable people needing support.

For many adults placed with carers, this will be their first experience of being part of a loving family, and having the independence to live a fulfilling life in their local community.

One of our Shared Lives carers, said:

**“Being a Shared Lives carer is very rewarding, knowing that you've made a difference to someone's life. Just pick up the phone – you won't regret it!”**

## Is Shared Lives for me?

There are lots of ways you can get involved with Shared Lives.

You can offer:

- a permanent home
- short break support to give permanent carers a break.

Both families and individuals of any age can get involved with Shared Lives - which offers a great opportunity if you're looking for a new challenge, or maybe approaching retirement.
